

UK ICF
Coaching in Organisations Community

United Kingdom
Charter Chapter

JOIN US!

Being part of our CIO Community enables your organisation to benefit from being part of a network of organisations who, like you, use coaching as a tool for talent development but also as a pivotal force for organisational transformation: fuelling efficiency, empowerment and engagement.

Our focus:

 **Supporting your organisation to thrive**
Community & networking opportunities – in person & online

 **Supporting your leaders to succeed**
Best leaders who coach practices & support

 **Supporting your coaches**
Supervision, CPD's opportunities

We will be thrilled to have you on board.
